(Nick Kenny - Charles Kenny)

There's a gold mine in the sky far away
We will find it, you and I, some sweet day
There'll be clover just for you down the line
Where the skies are always blue pal of mine.

Take your time old mule, I know you're growin' lame
But you'll pasture in the stars when we strike that claim
And we'll sit up there and watch the world roll by
When we find that long lost gold mine in the sky.

Far a way, far away
We will find that long lost gold mine some sweet day
And we'll say hello to friends who said goodbye
When we find that long lost gold mine in th sky.

Far away (far away), far away (far away), in the sky.
