When it's springtime in the Rockies  
I'm coming back to you  
Little sweetheart of the mountains  
With your bonnie eyes of blue

Once again I'll say I love you  
While the birds sing all the day  
When it's springtime in the Rockies  
In the Rockies far away

The twilight shadows deepen into night, dear  
The city lights are gleaming o'er the snow  
I sit alone beside the cheery fire, dear  
I'm dreaming dreams from out the long ago

I fancy, it is springtime in the Rockies  
The flowers with their colors are aflame  
And though I long to be back in the Rockies  
I'll wait until the springtime comes again

When it's springtime in the Rockies  
I'm coming back to you  
Little sweetheart of the mountains  
With your bonnie eyes of blue

Once again I'll say I love you  
While the birds sing all the day  
When it's springtime in the Rockies  
In the Rockies far away
