Nothing can stop me
So bad do I feel inside
Get my hat, I'm checking out
Cause you and your friends
Really hurt my pride

So unexpected
You shot me down
With all the fellas
Standing around, yeah

(CHORUS)
Please don't go
That's what they'll be saying
Please don't go
But I'm not playing
Cause nothing can stop me

(Yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah, yeah)

Nothing can stop me
Though you and I were pretty close
I'm calling it quits, girl
Cause it was you
I really dug the most

You made me feel
Like I was two feet tall
While all the others
Laughed and squalled, yeah

(CHORUS)

Don't mind me having the blues
You made me lose my cool
Fellas, honest, see?
You treat me so cold
And you're so mean

Nothing can stop me
So bad do I feel inside

Get my hat, I'm checking out
Cause you and your friends
Really hurt my pride

So unexpected,
You shot me down
With all the fellas
Standing around, yeah

(CHORUS)

(Yeah, yeah, yeah)
(Yeah, yeah, yeah, yeah, yeah)
(Yeah, yeah)
(Yeah, yeah)
