Black girl black girl tell me where
Tell me where did you sleep last night
In the pines in the pines
Where the sun never shines
And you shiver when the cold wind blows
Now little girl little girl what have I done
That made you treat me so

You cause me to weep you cause me to moan
You cause me to leave my home
In the pines in the pines
Where the sun never shines
And you shiver when the cold wind blows

SOLO

The longest train I ever saw
Went down that Georgia line
Saw the engine past at six o'clock
And the cab went bye and bye
In the pines in the pines
Where the sun never shines
And you shiver when the cold wind blows
