I lost ten points just for being in the right place
At exactly the wrong time
I looked right at the facts there, but I may as well
Have been completely blind

So, if you see me walking all alone
Don't look back, I'm just on my way back home
And there's a train leaves here this morning
And I don't know, what I might be on

She signed me to a contract
Baby said, "It would all be so life long"
I looked around then for a reason
When there wasn't something more to blame it on

But, if time makes a difference while we're gone
Tell me now and I won't be hanging on
There's a train leaves here this morning
And I don't know, what I might be on

1320 North Columbus was the address
That I wrote down on my sleeve
I don't know just what she wanted
Might have been that it was getting time to leave

And I watched as the smoker passed it on
And I laughed when the joker said, "Lead on"
'Cause there's a train leaves here this morning
And I don't know, what I might be on

There's a train leaves here this morning
And I don't know, what I might be on
