Chorus:
If I could reach you, oh how I'd teach you
If I could get you into my life,
And I would love you, take carin' of you,
If I could get you into my life.
Vs 1. I'd never leave you, or try to deceive you,
I'd never take you half the way home,
I would be pleasin', for every reason,
And I would never leave you alone.

Chorus

I'd never use you, or ever abuse you,
Just want to give you the best of my life,
Say it's forever, don't you say never,
Please let me take you, I know we can fly.
