(spoken)  
I'll remeber forever  
when I was but three  
Ma ma, who was clever,  
remarking to me  
" Son, when you're grown up,  
and want everything nice  
I've got you're future sewn up,  
if you'll take my advice"

Be a clown, be a clown  
All the world, loves a clown  
Wear the cap, and the bells  
and you'll rate with all the great swells

If you become a doctor,  
folks will face you with dread  
If you become a dentist,  
they'll be glad when you're dead  
You'll get a bigger hand  
if you can stand on your head

Be a clown, be a clown, be a clown!!
