Fit as a fiddle and ready for love.  
I can jump over the moon up above.  
Fit as a fiddle and ready for love!

I haven't a worry, I haven't a care,  
I feel like a feather that's floating on air,  
Fit as a fiddle and ready for love!

Soon all the church bells will be ringing  
And I'll march with Ma and Pa.  
All the church bells will be ringing,  
With a hey naughty-knotty and a hotcha-cha darling.

Hi, diddle-diddle, my baby's OK,  
Ask me a riddle, I'm waiting to say  
Fit as a fiddle and ready for love!

Soon all the church bells will be ringing  
And I'll march with Ma and Pa.  
All the church bells will be ringing,  
With a hey naughty-knotty and a hotcha-cha darling.

Hi, diddle-diddle, my baby's OK,  
Ask me a riddle, I'm waiting to say  
Fit as a fiddle and ready for love!
