Good Morning
Good Morning
We've talked the whole night through
Good Morning
Good Morning to you
Good Morning
Good Morning
It's great to stay up late
Good Morning
Good Morning to you
When the band began to play the stars were shinging
bright
Now the milkman's on his way and it's too late to say
good night
So, Good Morning
Good Morning
Sun beams will soon smile through
Good Morning
Good Morning to you and you and you and you
Good Morning
Good Morning
We've gabbed the whole night through
Good Morning
Good Morning to you

In the morning

In the morning
It's great to stay up late
Good Morning
Good Morning to you

When we left the movie show the future wasn't bright
But came the dawn
the show goes on and I don't want to say good night
So say good morning
Good Morning
Rainbows are shining through
Good Morning
Good Morning
