In this town, where I'm from  
There's not a lot of things going on  
You've got to use a little imagination  
To get along

So, you go to a bar and you  
Talk to your friends about girls and cars  
And even though you're bored  
They'll only go this far

You're so gorgeous, baby  
You're so gorgeous, save me  
You're so gorgeous, baby  
Yes, you are

You hear a song, you spin around  
And you laugh as your feet hit the ground  
You feel like a celebration  
This time around

So, you go to a bar and you  
Talk to your friends about girls and cars  
And even though you're bored  
They'll only go this far

You're so gorgeous, baby  
You're so gorgeous, save me  
You're so gorgeous, baby  
Yes, you are

You're so gorgeous, baby  
You're so gorgeous, save me  
You're so gorgeous, baby  
Yes, you are

You need a lover, oh, yes, you do  
You need a lover, nothing else is true  
You need a lover, I need you  
You need a lover, you'd make the dead dance too

You're so gorgeous, baby  
You're so gorgeous, save me

You're so gorgeous, baby  
Yes, you are

You're so gorgeous, baby  
You're so gorgeous, save me  
You're so gorgeous, baby  
That's what you are

I need you, you need me  
I need you, yes, it's true, it's true

You're so gorgeous, baby  
You're so gorgeous, save me  
You're so gorgeous, baby  
Yes, you are
