I really notice  
That you don't sleep at night  
Say why do you worry  
Why you hurting inside?

Who's hurt you baby?  
I like you a lot  
You are so beautiful  
And that is a fact, yeah, yeah, jealous

I watch the sun  
It cuts through the cloudy skies  
It heals these wounds  
And makes me glad to be alive

So don't you worry  
No don't you worry  
I'll make you happy  
Happy, yeah, yeah

Something's wrong  
Something's wrong with you  
Jealous, yeah  
Something's really wrong  
Something's wrong with you

Jealous, jealous  
Jealous, jealous  
Yeah, yeah  
Yeah, yeah

I spot two lovers  
On the Old Brompton Road  
I feel so jealous  
God I need someone to hold

Who's hurt you baby?  
I like you a lot  
I look at you and I know  
That something's up

Something's wrong

Something's wrong with you  
Jealous  
Something's really wrong  
Something's wrong with you

Jealous, jealous  
Jealous, jealous  
How do you like the cat?  
Kitty, kitty, kitty

Jealous, jealous  
Jealous, jealous  
Jealous, jealous  
...
