I've got to go out
I swear I won't be late
You've got to put your trust in somebody, yeah
I swear I shall not forsake

Hey little darling, I won't be late
Oh pretty baby, don't you lie awake
I'll give you love when I get home
It won't be long, it won't be long

It's 'cause I love you, it's 'cause I love you
You know I love you
It's 'cause I love you, it's 'cause I love you
You know I love you

When you talk yourself to sleep, I'm away
Now don't you dream
That I'll be in your arms again, again?

Oh pretty baby, when I walk through the door
You'll be wondering what I did it for
Just tell me, darling, just tell me please
Oh, why you miss me so badly
C'mon tell me why, girl, I know why I miss you

It's 'cause I love you, it's 'cause I love you
You know I love you

When I'm away I get so afraid
It's the way I feel when I'm away
With my deep blue love, my deep blue love

Oh, Billy Brown your hair is gold
Your skin is white as snow
Just shake it like this then turn

Suspicion, suspicion
S-s-suspicion
