Can't I cry? A little bit  
There's nobody to notice it  
Can't I cry if I want to  
No one cares  
Why can't I pretend  
That you love me again  
All I've had has been taken from me  
Now I'm crying and tears don't become me  
Just one smile the pain's forgiven  
Just one kiss the hurt's all gone  
Just one smile to make my life worth living  
A little dream to build my world upon  
How I wish I could say  
All the things that I want to say  
If some way you could see what's in my heart  
I don't ask for much  
A look, a smile, a touch  
Try to forget Lord knows I'm trying  
But it's hard to forget when your whole world is dying  
(2x fading on 2nd)  
Just one smile the pain's forgiven  
Just one kiss the hurt's all gone  
Just one smile to make my life worth living  
A little dream to build my world upon
