When Liberty Valance rode to town the womenfolk
would hide, they'd hide
When Liberty Valance walked around the men would
step aside
'cause the point of a gun was the only law that Liberty
understood
When it came to shootin' straight and fast---he was
mighty good.
>From out of the East a stranger came, a law book in
his hand, a man
The kind of a man the West would need to tame a
troubled land
'cause the point of a gun was the only law that Liberty
understood
When it came to shootin' straight and fast---he was
mighty good.
Many a man would face his gun and many a man would
fall
The man who shot Liberty Valance, he shot Liberty
Valance
He was the bravest of them all.
The love of a girl can make a man stay on when he
should go, stay on
Just tryin' to build a peaceful life where love is free to
grow
But the point of a gun was the only law that Liberty
understood
When the final showdown came at last, a law book was
no good.
Alone and afraid she prayed that he'd return that
fateful night, aww that night
When nothin' she said could keep her man from goin'
out to fight
>From the moment a girl gets to be full-grown the very
first thing she learns
When two men go out to face each other only one retur-
r-r-ns
Everyone heard two shots ring out, a shot made Liberty
fall
The man who shot Liberty Valance, he shot Liberty
Valance
He was the bravest of them all.

The man who shot Liberty Valance, he shot Liberty
Valance
He was the bravest of them all.
