Yeah, I want to
Love my life away

I wanna love my life away

I wanna love, love, love

Love my life away with you

I want your huggin' in the morning

All your kissin' late at night

I want your sweet talk
in the sunshine

And holdin' my hand in the moonlight

Cause I wanna
Love my life away

I wanna love my life away

I wanna love, love, love

Love my life away with you

Yes we're gonna lift the world and all of its troubles

Go right on spinning by

We're gonna build one dream upon another

Clear up to the sky

Cause I wanna
Love my life away

I wanna love my life away

I wanna love, love, love

Love my life away with you

I'll keep you warm in the winter

Give you cool, cool kisses in the summertime

Walk by your side in the autumn

And in the spring bells with chime

Cause I wanna
Love my life away

I wanna love my life away

I wanna love, love, love

Love my life away with you -oooh ooh

Yeah I wanna
love my life away

I wanna love my life away

I wanna love, love, love

Love my life away with you
