Last night I hurt you but darlin?remember this

Only love can break a heart only love can mend it  
again, hmm, hmm

Only love can break a heart only love can mend it agai-

Give me a chance to make up for the harm Ive done

Try to forgive me and lets keep the two of us one.

Please let me hold you and love you for always and  
always

Only love can break a heart only love can mend it agai-  
ai-ain

Only love can break a heart only love can mendit--again
