Something's gotten hold of my heart,
Keeping my soul and my senses apart.
Something's gotten into my life,
Cutting it's way through my dreams like a knife
Turning me up, and turning me down
Making me smile, and making me frown.

In a world that was war,
I once lived in a time that was peace and no troubles at
all.
But then you came my way
And a feeling unknown shook my heart,
made me want you to stay,
All of my nights, and all of my days.

(I gotta tell you now)
Something's gotten hold of my hand,
Dragging my soul to a beautiful land,
Yeah, something has invaded my night,
Painting my sleep with a colour so bright.
Changing the grey, and changing the blue,
Scarlet for me, and scarlet for you.

I got to know if this is the real thing.
I got to know what's making my heart sing.
Wo-ho-ho, Ye-e-e-e-e e-yeah.
You smile, and I am lost for a lifetime,
Each minute spent with you is the right time.
Every hour, yeah, every day, yeah
You touch me and my mind goes astray, yeah
And Baby, And baby.

Something's gotten hold of my hand
Dragging my soul to a beautiful land.
Something's gotten into my life,
Cutting it's way through my dreams like a knife.
Turning me up, and turning me down
Making me smile, and making me frown.

In a world that was war,
I once lived in a time that was peace and no troubles at

all.
But then You, You, You,
You came my way
And a feeling unknown shook my heart,
made me want you to stay,
All of my nights, and all of my da-a-a-a-a-a-ays.

Something's gotten hold of my heart,
Keeping my soul and my senses apart.
Something has invaded my night
Painting my sleep with a colour so bright
Changing the grey, and changing the blue
Scarlet for me, and scarlet for you.
