Yours are the lips that  
Are tempting mine, oh, baby  
Your eyes keep giving me  
The go ahead sign, yes, they are

I should turn my  
Head and walk away  
But there's always  
Something that you say

That puts me where  
You want me, girl  
Like a fool, I stay

I'm telling you this heart  
Has never been broken  
This heart has never been broken  
This heart has never been  
Broken before, don't break it now

One night was all it took, oh, darling  
You'd lead me to the point  
Of no return, yes, would would

I'm revealing things I never showed  
There's just no way my eager arms say no  
I'm caught up in the things you do  
And now I can't let go

I'm telling you this heart  
(This heart of mine)  
Has never been broken  
(I ain't gonna let you break it)  
This heart has never been broken  
(I been doing fine)  
This heart has never been  
Broken before, don't break it now

I'm a victim of your tenderness  
Lost just like a child, I guess  
There's no way my arms say no  
I'm caught up in the things you do

And now I can't let go

I'm telling you this heart  
(This heart of mine)  
Has never been broken  
(I ain't gonna let you break it)  
This heart has never been broken  
(I been doing fine)  
This heart has never been  
Broken before, don't break it now
