I know you write me sexy letters  
And you send your pictures for my wall  
You found the hotel where I'm stayin'  
And you built up the nerves and then you called

I'm living in sin  
(At the Holiday Inn)  
At the Holiday Inn, yeah  
(Living in sin)

I'm living in sin  
(At the Holiday Inn)  
At the Holiday Inn  
(Just living in sin)

You tell me, you want me to protect you  
But sometimes my love can go too far  
Deep in your heart you wanna love me  
Come closer, I know who you are

I'm living in sin  
(At the Holiday Inn)  
At the Holiday Inn, yeah  
(Living in sin)

I'm living in sin  
(At the Holiday Inn)  
At the Holiday Inn  
(just living in sin)

Deep in your heart you wanna love me  
Come closer, I know who you are  
I know who you are

Huh, hello baby  
Hello, oh, is this Gene Simmons?  
Oh, can I, aw, oh my God, oh, uh, what room is  
Is it true what they say about you  
That you get to show your face personally  
Gene, uh, oh my God

I know you write me sexy letters

But sometimes my love can go too far

I'm living in sin  
(At the Holiday Inn)  
At the Holiday Inn, yeah  
(Living in sin)

I'm living in sin  
(At the Holiday Inn)  
At the Holiday Inn  
(Just living in sin)

Living in sin  
I'm living in sin  
(Holiday at the Holiday Inn)  
(Living in sin)

At the Holiday Inn, yeah  
(Holiday, living in sin  
Living in sin)

Won't you open the door?  
(Holiday at the Holiday Inn)  
(Living in sin)

Won't you come on in  
(Out )  
In  
(Out)

(Living in sin)  
I'm living in sin  
(Holiday at the Holiday Inn)  
(Living in sin)

At the Holiday Inn, yeah  
(Holiday, living in sin)  
(Living in sin)

Open my door  
(Holiday at the Holiday Inn)  
(Living in sin)

Won't you come on in  
(Out )  
In  
(Out)
