This time I'll try to get it right  
Just give me one more chance tonight, whoa yea

I'm tryin' hard to please you  
Would you believe me if I tell you?  
Baby won't you try?  
Just one more chance tonight

Mr. Make Believe  
Mr. Make Believe  
Let me live inside you, please

Mr. Make Believe  
Mr. Make Believe  
Let me live inside you, please

And when you tell me what you'd like, oh yea  
(Oh yea)  
You'll know you'll never have to fight, whoa no

I'm tryin' hard to please you  
(Ooo)  
Would you believe me if I tell you?  
(Aaa)  
Baby won't you try?  
Just one more chance tonight
