(Gene Simmons)

[Verse]

As I'm walking around Wall Street corner  
I turned to see you comin' my way (I'm on fire)

[Verse]

I look up, I see your eyes are burning  
They're burning right through my head (Looking so  
good)

Whoa!

[Chorus]

If I'm built for speed, you're built for love (aw)  
You're too much of a good thing but it's much too good  
My sweet and dirty love...

[Verse]

You talk to me, but just the same  
You brought me back to life again

[Chorus]

[Break]

I can't control myself  
I'm about to lose my health  
Can't get enough  
Sweet and dirty love...

[Guitar Solo]

And this heart of mine  
Wants you all the time  
This ain't no fairy tale  
I can't get enough  
My sweet and dirty love...

(aw)
