Well if you're lookin' for the best
Then baby be my guest
I'm right before your eyes
I'm tellin' you no lies

You wanted my disease
You'll have to do as I please
You'll jump off the roof if I say
I won't let you get away

It must have been the devil in me
I don't know what else it could be

Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love

You're just a victim less crime
It happens all the time, yeah
You'll have an overstay
And your bill is my pay

You are the lock, I am the key
You know what you do to me

Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love

You are the lock, I am the key
You know what you do to me

Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love

Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love

I've got to visit your tunnel of love

Tunnel of love, tunnel of love
Let me visit your tunnel of love
Tunnel of love, tunnel of love
I've got to visit your tunnel of love

Tunnel of love, tunnel of love
