When you wish upon a star, makes no difference who  
you are  
Anything your heart desires will come to you

If your heart is in your dreams, nothing else is too  
extreme  
When you wish upon a star as dreamers do

(Fate is kind, she brings to those who love  
The sweet fulfillment of their secret longing)

Like a boat out of the blue, fate steps in and sees you  
thru

When you wish upon a star, your dreams come true
