(Gene Simmons)

[Verse]

I'm crying, I'm dying
Deep inside I'm lying, every time I call your name
I was lonely, so lonely
You were always my one and only (ooh)
It's always the same
But it's over, it's over
And I can't help thinking it over and over
But you're not to blame

[Chorus]

You're my reason for living
You're my reason for giving
You're my reason for living
And I can't help this feeling...

[Verse]

Another day, another sorrow
And I can't help thinking there's no tomorrow...
Without you...
I can't feel the pain, and that's a start
Well the first time I saw your face
Was the last time I saw my heart
(Ooh)

[Chorus]

You're my reason for living
And I can't help this feeling...
You're my reason for living
And I can't stop believing...
No, no, no (ooh)

[Verse]

It's over, it's over
Well I can't help thinking it over and over and over and
over
It's always the same
(Ooooh)

[Chorus]

You're my reason for living
You're my reason for giving
You're my reason for living
And I can't help this feeling...
