Well, I've got a brand new lover  
I love her, yes I do  
She's my one and only  
And her name is baby blue

Well now, baby, baby, baby  
Baby, baby blue, yeah  
Baby, baby, baby  
Baby, baby, baby blue-oooh

Well now, when I met my baby  
I say, how to do you do  
She looked into my eyes and say  
My name is baby blue.

Well now, baby, baby, baby  
Baby, baby, baby blue o-ohhh  
Baby, baby, baby  
Baby, baby, baby blue  
(now, now, now, now)  
(solo, background repeats baby, baby....ahhhs)

Well, I know my baby loves me  
I know that she'll be true  
I'm sure of this each time I look  
Into her eyes of blue

Well now, baby, baby, baby  
Baby, baby, baby blue yeah  
Baby, baby, baby  
Baby, baby, baby blue
