If you see my darling with somebody new
Keep it a secret whatever you do
Why should you tell me and break my poor heart
Then foolish pride would just drive us apart
If you see my darling in some rendezvous
Painting the town with a boy she once knew
Pay no attention and just let it be
And keep it a secret from me.

(With Backing group next 2 lines)

If you see my darling with somebody new
Keep it a secret whatever you do??

If you see my darling in some rendezvous
Painting the town with a boy she once knew
Pay no attention and just let it be,
And keep it a secret from me
