I'm all alone, so come on home baby, right now
(come-on home) right now (come-on home)
I'm all alone, so come on home baby, right now
(come-on home) right now (come-on home)
Well, now don't fool around
Honey, don't you let me down, come on home
(come-on home) come on home (come-on home)

I want a thrill, I need a chill baby, right now
(come-on home) right now (come-on home)
I want a thrill, I need a chill baby, right now
(come-on home) right now (come-on home)
Don't fool around
Honey, don't you let me down, come on home
(come-on home) come on home (come-on home)

Oh, if there's something to do I do it
And when there's some place to go, I go
And when I put my lovin' arms around you
My child you know that I love you so (wo-ho)

I wanna dance, I need romance baby, right now
(come-on home) right now (come-on home)
I wanna dance, I need romance baby, right now
(come-on home) right now (come-on home)
Well, now don't hesitate
Baby don't you be late
(come-on home) come on home (come-on home) now!

Oh, if there's something to do I do it
And when there's some place to go, I go
And when I put my lovin' arms around you
My child you know that I love you so (wo-ho)

I wanna dance, I need romance baby, right now
(come-on home) right now (come-on home)
I wanna dance, I need romance baby, right now
(come-on home) right now (come-on home)
Well, now don't hesitate
Baby don't you be late
(come-on home) come on home (come-on home)

(come-on home) come on home (come-on home)
(come-on home) come on home (come-on home)
(come-on home) come on home (come-on home)
(come-on home) come on home (come-on home)
(come-on home) come on home (come-on home)
