Well, she, she, she little sheila  
Best lookin' gal in town  
Well now, she, she, she little sheila  
With your hair so long and brown  
Well you never-never know what my sheila's puttin'  
down

Well now, dick clark said you're the best lookin' girl  
On his big bandstand  
I know it too and I love you true  
And honey, I'm your man  
Well you never-never know what my sheila's puttin'  
down

Yeah, she, she, she little sheila  
She, she, she little sheila  
She, she, she little sheila  
She, she, she little sheila  
Well you never-never know what my sheila's gonna put  
down

Well, she, she, she little sheila  
Best lookin' gal around  
Well, she, she, she little shiela  
With your hair so long and brown  
Well you never-never know what my sheila's puttin'  
down (aw)

Yeah, she, she, she little sheila  
She, she, she little sheila  
She, she, she little sheila  
She, she, she little sheila  
Well you never-never know what my sheila's puttin'  
down
