(walkin'...walkin'...walkin', ah-ah)
(walkin'...walkin'...walkin', ah-ah)
Step by step, street by street
Talkin' to all the friends we meet
Step by step, street by street
Talkin' to all the friends we meet

Honey, won't you tell me when
Baby, we can meet again
It's been such fun, walkin' home from school with you

Baby, I have to let you know-oh
Honey, how I love you so-oh
It's been such fun, walkin' home from school with you

What are ya doin' on friday night
Can it be done by two
What are ya doin' on saturday night
Can I come over and spend a little while with you

Oh baby, you know I love you so-oh
Honey, you're the one I know-oh
It's been such fun, walkin' home from school with you

Baby, I have to let you know
Honey, how I love you so
It's been such fun, walkin' home from school with you

Step by step, street by street
Talkin' to all the friends we meet
Da-do-dip do, do-do-do-do-do do
Do-dip do, do-do-do-do-do do
Do-dip do, do-do-do-do-do do
