He's dressed up like a cowboy  
Right out of Hollywood  
And he's got his sights on you  
'Cross the room  
His line are well rehearsed and  
If he gets lucky soon  
He'll have you believein'  
That he can milk the moon.  
'Cause, he's all hat and no cattle  
He'll break you heart just for fun  
And ride of into the settin' sun  
He'll try to make you think  
He's ridin' high in the saddle  
He's all hat and no cattle.  
--- Instrumental ---  
Under that ten gallon  
There's nothin' really there  
Those boot have never been  
Far from town  
He's never rode a tractor  
Or been behind a plow  
He shoots a lot of bull,  
But he's never milked a cow.  
And, he's all hat and no cattle  
He'll break you heart just for fun  
And ride of into the settin' sun  
He'll try to make you think  
He's ridin' high in the saddle  
He's all hat and no cattle.  
He's all hat and no cattle...
