Of all the people in the world, why you and I  
With lovers here and everywhere we don't care enough  
to try  
Why couldn't all the hurt we're feeling now have  
passed us by  
Couldn't love have picked a better place to die  
And of all the hearts in the world, why yours and mine  
How could we go from so much love to so much hurt  
tonight  
But it's in our hearts and it's in our bed and it's even in  
your eyes  
Couldn't love have picked a better place to die  
Somewhere out there there's lovers who want to be  
free  
Why couldn't love have died with them instead of here  
with you and me  
But it's pityful how all these tears won't bring it back to  
life  
Couldn't love have picked a better place to die  
Oh, couldn't love have picked a better place to die
