When the last, breath of life  
Is gone from, my body  
And my lips, are as cold as the sea  
When my friends gather 'round  
For my farewell party  
Won't you, pretend you love me  
There will be flowers from those  
Who cry, when I'm gone  
And leave you in this, world alone  
I know you'll have fun  
At my farewell party  
I know, you'll be glad, when I'm gone  
Don't be mad at me, for wanting to keep you  
Till my life on this old world is through  
You'll be free at the end of my farewell party  
But I'll go away loving you  
There will be flowers from those  
Who cry, when I'm gone  
And leave you in this, world alone  
I know you'll have fun  
At my farewell party  
I know, you'll be glad, when I'm gone  
Oh, I know you'll be glad when I'm gone
