Flea brain, (flea brain) hop-hop-hop
Flea brain, (flea brain) a-rock-rock-rock
Flea brain, she's got a hole in her head
If she wasn't good lookin', she'd be better off dead.

There's a brand new lassie moved in down the block
She's got a classy chassy and she knows how to rock
Stacked just right from her head to her shoe
She acts like somethin' that escaped from the zoo
Flea brain, (flea brain) a-hop-hop-hop
Flea brain, (flea brain) a-rock-rock-rock
Flea brain, she's got a hole in her head
If she wasn't good lookin', she'd be better off dead.
(rock it now)

Well I took her over to a soda fountain over on bo's
She had an ice cream sundae and a hot cup of jo
She leaned way back just to starighten up her hose
Well the ice cream melted and the coffee froze
Flea brain, (flea brain) rock-rock-rock

Flea brain, (flea brain) rock-rock-rock
Flea brain, got a hole in her head
If she wasn't good lookin', she'd be better off dead.
(rock!)

Well I took flea brain up to lover's hill
I had it in my mind to get a, get a thrill
Stuck to me like a chicken to the roof
Thought that cat would never turn me loose
Flea brain, (flea brain) hop-hop-hop
Flea brain, (flea brain) a-rock-rock-rock
Flea brain, she's a real hep kid
Flea brain knows more than I thought she did.
Flea brain, (flea brain) hop-hop-hop
Flea brain, (flea brian) rock-rock-rock
Flea brain, she's a real hep kid
Flea brain knows more than I thought she did.
