Where are you goin' tonight Mary Ann
What time are you commin' home
You sure look pretty in your new satin dress
I'll miss you the minute you're gone
Don't worry 'bout me 'cause I'll be on my knees
The moment I turn out the lights
And I'll pray that the dreams I'll be dreamin' of you
Don't turn into nightmares tonight

I love you come hell or high water
I know you can't help what you do
I wonder if I'm part time crazy
Or am I a full time fool

Where are you goin' tonight Mary Ann
I'll keep a light in the hall
It's better to know that you're mine now and then
Then never to have you at all
I'll keep on livin' my life just for you
So love me whenever you can
You're not a one man's woman
But I'm just a one woman's man

And I love you come hell or high water
I know you can't help what you do
I wonder if I'm part time crazy
Or am I a full time fool

I love you come hell or high water
I know you can't help what you do
I wonder if I'm part time crazy
(fade) Or am I a full time fool
