Sometimes I talk
And I know your not listening
Altho your looking me
Straight in the eye
Still Im afraid
To say what im feeling
When saying the wrong thing
Might make you cry
Chorus
People with glass hearts
Shouldnt throw stones
The heart that you break
Just might be your own
I know we can't live together
But it beats dyin alone
And people with glass hearts
Shouldnt throw stones
Deep in the night
Words thrown in anger
Cuts like a knife
Right down to the core
And nobody wins cause
Our hearts break a little
With every tear
We leave on the floor
I don't know if you can call this love
But I never felt anything stronger
Girl all I know is if you turn and go
I can't hold on any longer
Chorus
People with glass hearts
Shouldnt throw stones
The heart that you break
Just might be your own
I know we can't live toghether
But it beats dyin alone
And people with glass hearts
Shouldnt throw stones
People with glass hearts
Shouldnt throw stones
