Yes, I live in a single wide
To get up here takes a 4 wheel drive
And a mean old dog whose name is Sic em Sam
Got a motor hangin from a tree
Got a satellite dish and a trampoline
But that don't make me what they say I am.

Chorus:

'Cause there aint no trash in my trailer
Though they might find an empty can of beer
There aint been no trash in my trailer
Since the day I threw you out of here.

--- Instrumental ---

I burn my trash in a big old drum
Sometimes I might shoot my gun
That car of yours on blocks is hard to miss
This place is like heaven now
It was more like hell with you around
So let em talk, say anything they wish.

Chorus:

'Cause there aint no trash in my trailer
Though they might find an empty can of beer
There aint been no trash in my trailer
Since the day I threw you out of here.

--- Instrumental ---

Chorus:

'Cause there aint no trash in my trailer
Though they might find an empty can of beer
There aint been no trash in my trailer (Lordy, Lord)
Since the day I threw you out of here...
