Its the first morning after, it's so hard to face
'Cause you left your memory all over this place
They say it gets easier, I wonder how
Goodbye couldnt hurt more than it hurts right now.

Chorus:

Youre gonna be one hell of a heartache
Ive had some and I really should know
It hurts me a lot but I know Ive still got
One hell of a heartache to go.

--- Instrumental ---

You took me to heaven when you held me tight
If heavens forever where are you tonight
They say time is a healer but I don't think that's true
Itll take more than time to get me over you.

Chorus:

Youre gonna be one hell of a heartache
Ive had some and I really should know
God, it hurts me a lot but I know Ive still got
One hell of a heartache to go.
One hell of a heartache to go...
