I'm all alone so come on over baby
Right now, right now
I'm all alone so come on over baby
Right now, right now
Oh don't make me wait child don't you hesitate
C'mon along, c'mon along

I want to dance, I need romance baby
Right now, right now
(Come on over, right now)
I want to dance, I need romance baby
Right now, right now
(Come on over, right now)
Oh, don't let me down child
Don't you mess around
C'mon along, c'mon along
(Come on over, right now)

Let's think of something to do and let's do it
Let's think of somewhere to go, let's go
And when you put your lovin' arms around me
Oh you know how I love you so

I need a thrill, say you will baby
Right now, right now
(Come on over, right now)
I need a thrill, say you will baby
Right now, right now
(Come on over, right now)
Oh, don't let me down child
Don't you mess around
C'mon along, c'mon along
(Come on over, right now)

Let's think of something to do and let's do it
Let's think of somewhere to go, let's go
Now when you put your lovin' arms around me
Oh, you know how I love you so

I'm all alone so come on over baby
Right now, right now
(Come on over, right now)

I'm all alone so come on over baby
Right now, right now
(Come on over, right now)
Oh don't make me wait child
Don't you hesitate
C'mon along, c'mon along
(Come on over, right now)

I need a thrill
(Come on over)
Right now
(Right now)
Say you will
(Come on over)
Right now
(Right now)
I'm all alone baby
(Right now)
