Your beauty's like a rainbow that God made with his  
hands  
Your love's the answer to the prayers of, once, a  
loveless man  
Lady, you're a ray of hope on the darkest night  
You were such a welcome sight to lost and lonely eyes  
Like a rose in the sand  
A lighthouse on the stormy sea reaching out a hand  
You're a special lady to an ordinary man  
Like a rose in the sand  
Your satin skin is pleasing for calloused hands to touch  
Your eyes do all the talkin' when the words don't say  
enough  
And when the road is rocky and life is hard to bear  
I make it through the longest day jusy knowin' you were  
there  
Like a rose in the sand  
A lighthouse on the stormy sea reaching out a hand  
You're a special lady to an ordinary man  
Like a rose in the sand  
Like a rose in the sand  
A lighthouse on the stormy sea reaching out a hand  
You're a special lady to an ordinary man  
Like a rose in the sand
