(Shadows)

I was walkin' past your window late last night  
There were lights on but your shades were pulled down  
tight  
I decided to come in and spend some time  
Then I looked and somethin' made me change my  
mind

There were shadows, covered shadows on the wall  
Holdin' one another, clingin' to each other  
And I felt my heart fall  
I just stood there not believin' what I saw  
Right outside your window  
Watchin' the shadows on the wall

Like a drownin' man who sees his past go by  
I was seein' all my future slowly die  
I believed you and I loved you all the time  
But the shadows said you weren't really mine

There were shadows, covered shadows on the wall  
Holdin' one another, clingin' to each other  
And I felt my heart fall  
I just stood there not believin' what I saw  
Right outside your window  
(fade) Watchin' the shadows on the wall
