Tonight I hold the one I love far from the one at home  
I picked her up some time ago and I never feel alone  
I held on tight too many years to ever set her free  
And though she's not a lady she still means the world  
to me.

Chorus:

She's no lady but I love her, she's been known to be  
untrue

She's been knocked around and picked on, even  
dropped a time or two

She's been passed around at parties, sat on  
everybody's knees

This old guitar's changed hands a time or two but it still  
belongs to me.

It still belongs to me.

--- Instrumental ---

She's the one who keeps me from my wife and family  
half the time

She haunts me and she drives me to these honky tonk  
dives

I pick her up each evening as the neon starts to glow  
And hold her closer to my heart than any lady's ever  
known

Chorus:

She's no lady but I love her, she's been known to be  
untrue

She's been knocked around and picked on, even  
dropped a time or two

She's been passed around at parties, sat on  
everybody's knees

This old guitar's changed hands a time or two but it still  
belongs to me.

It still belongs to me.

Chorus:

She's no lady but I love her, she's been known to be  
untrue

She's been knocked around and picked on, even  
dropped a time or two

She's been passed around at parties, sat on  
everybody's knees

This old guitar's changed hands a time or two but it still

belongs to me.  
It still belongs to me...
