I stay out late most every night until closing time  
Tryin to find a way to drink your memry off my mind  
And even if it goes just right, I'd never make a bet  
But sometimes I get lucky and forget.

Chorus:

Sometimes I can close my eyes and you're not waiting  
there

Constantly reminding me how much you used to care  
And losing you is one thing I guess I'll always regret  
But sometimes I get lucky and forget.

--- Instrumental ---

Sweet Rose and burgundy just lead to scotch and rye  
At times it hurts me so much I just hang my head and  
cry

No, it aint been easy for me, Im not over you yet  
But sometimes I get lucky and forget.

Chorus:

Sometimes I can close my eyes and you're not waiting  
there

Constantly reminding me how much you used to care  
And losing you is one thing I guess I'll always regret  
But sometimes I get lucky and forget.

Sometimes I get lucky and forget...
