I can swim the mighty ocean, climb a mountain high
But I can't forget the notion, true love should never die
Now, lovin' ain't for heroes, Lord knows I'm not
But I'd risk the raging river to hold on to what I've got

Say the word, babe I'll talk it , draw the line and, honey,
I'll walk it
I'd do most anything just to keep you satisfied
'Cause I don't want to lost you, don't want to pick and
choose new
Take off them shoes, you ain't walkin' out the door

Life's much too short, girl, to fill up with fussin'
End up with nothin', broken hearted and alone
Think of ther good times we've been a-knowin'
'Fore we start throwin' those stupid sticks and stones

Say the word, babe I'll talk it, draw the line and, honey,
I'll walk it
Why, I'd do most anything just to keep you satisfied
'Cause I don't want to lost you, don't want to pick and
choose new
Take off them shoes, you ain't walkin' out that door
Take off them shoes, you ain't walkin' out the door
