You caught me when my arms were empty  
And my better judgement was gone  
We're makin' sweet music together  
But I should be dancin' at home

You sure make cheatin' seem easy  
You've got a way of makin' wrong seem right  
You sure make cheatin' seem easy  
And I'm takin' it easy tonight

My conscience just took a vacation  
'Cause my heart was beating in chains  
We're both a mister and missess  
But we've got two different last names

You sure make cheatin' seem easy  
You've got a way of makin' wrong seem right  
You sure make cheatin' seem easy  
And I'm takin' it easy tonight  
And I'm takin' it easy tonight
