(Joe Eddie Gough)

Every dream I have is filled with beautiful you
Sweet visions of the things you say and do
The way your pretty smile tells me that you love me too
Oh girl, I'm in love, yes, I'm in love with beautiful you.

The first I laid eyes on you I said I must be dreaming
No one has the right to be so recklessly appealing
Now everything I do I do for beautiful you
Doing things for you my whole life through
And I give thanks everyday that my life turn out this way
Girl I'm in love, yes, I'm in love with beautiful you.

The first I laid eyes on you I said I must be dreaming
No one has the right to be so recklessly appealing
Now everything I do I do for beautiful you
Doing things for you my whole life through
And I give thanks everyday that my life turn out this way
Girl I'm in love, yes, I'm in love with beautiful you.

And I give thanks everyday that my sunshine's here to stay
Girl I'm in love, yes, I'm in love with beautiful you...
