(Larry Gatlin)

I told her to leave me alone, that's what she's done,
just what she's done
And a house built for two ain't a home when it's lived in
by one, one lonely one
And I can no longer hear footsteps from right down the
hall
Here come the teardrops, bitter they are harder they
fall.

She caught me lying then she caught a train
And I caught a fever walking home in the rain
But it's over and I'm done, she's left me once and for
all
Here come the teardrops, bitter they are harder they
fall.
(Here come the teardrops,) bitter they are harder they
fall.

I told her to leave me alone, that's what she's done,
just what she's done
And a house built for two ain't a home when it's lived in
by one, one lonely one
And I can no longer hear footsteps from right down the
hall
Here come the teardrops, bitter they are harder they
fall...
