(Hank Cochran)

(He little thing'd her out of my arms.)

I brought her a mansion he gave her some flowers  
I turned her to riches he turned on the charm  
I showed her Paris he showed her a sunset  
He little thing'd her out of my arms.

I always thought she knew I loved her  
Though I never told her so  
And when I told her he'd already stoled her  
He little thing'd her out of my arms.

--- Instrumental ---

I always thought she knew I loved her  
Though I never told her so  
And when I told her he'd already stoled her  
He little thing'd her out of my arms.

He little thing'd her out of my arms...
