(Hank Williams)

Today I passed you on the street  
And my heart fell at your feet  
I can't help it if I'm still in love with you.  
Somebody else stood by your side  
And he looked so satisfied  
I can't help it if I'm still in love with you.

A picture from the past came slowly stealing  
Oh, as I brushed your arm and walked so close to you  
Then suddenly I got that old time feeling  
I can't help it if I'm still in love with you.

--- Instrumental ---

It's hard to know another's lips will kiss you  
And hold you just the way I used to do  
Oh, heaven only knows how much I miss you  
I can't help it if I'm still in love with you.

I can't help it if I'm still in love with you...
