(Bobby Fisher - James Throckmorton)

I don't know how to tell her that she's changed
It's hasn't done on her she's not the same
She's never had a deal with this before
I don't know how to tell her she don't love me anymore.

Lord knows some day she'll realize the truth
And when she does I'll have the time to lose
She's never done without my love before
I don't know how to tell her she don't love me anymore.

Somehow I've got to break it to her gently
She looks at me as though I'm just a friend
She's never done without my love before
I don't know how to tell her she don't love me anymore.

--- Instrumental ---

Somehow I've got to break it to her gently
She looks at me as though I'm just a friend
She's never done without my love before
I don't know how to tell her she don't love me anymore.
