(Joe Allen)

I thought of hungry children as I threw my half eat
sandwich to the ground
The lonely just don't taste good when last night's
gettin' lonely's got you down
My heart was gettin' heavy and I still got half a day's
worth left to go
I been thinkin' bout you honey and I wonder how it is in
Colorado.

Last night I met a girl with easy ways that eased some
mem'ries in my mind
She said she loved the whole world and for a while she
put some love in mine
And though it's hard to spare of you sometimes at
night it gets down mighty cold
I been thinkin' bout you honey and I wonder how it is in
Colorado.

Oh, I wonder how it is in Colorado Lord I wish you'd call
today
Did you read my letter honey I wrote some things I
hope you'd like to know
I been thinkin' bout you honey and I wonder how it is in
Colorado
I been thinkin' bout you honey and I wonder how it is in
Colorado...
